In real life: Roberta Maddalena

Illustratrice, storyboard artist

Bireau (Roberta Maddalena) vive a Berlino dove lavora come visual storyteller con illustrazione, fine art e filmmaking.

Le sue illustrazioni dai colori accesi, le cui forme spesso prendono ispirazione dal mondo naturale, prediligono la narrazione di storie di relazione e identità femminile e queer e il rapporto tra umanità e natura.

Come illustratrice ha un approccio versatile grazie a un forte background in visual design. Collabora infatti con agenzie pubblicitarie, case di moda, studi di design e architettura, case editrici, etichette discografiche e case di produzione cinematografica, occupandosi di tutto ciò che riguarda l'immagine disegnata: illustrazione, murales, live drawing per video, storyboard art, concept art e graphic props.

Il suo portfolio è caratterizzato da collaborazioni internazionali, tra cui: Campari, Cosentino, Disney, Facebook, Internazionale, Just Cavalli, Mixmag, Pitti Immagine, Salone del Mobile, Sony Music, Unilever, Universal, Wired.

Illustrator, storyboard artist

Bireau (Roberta Maddalena) is based in Berlin, where she works as a visual storyteller across illustration, fine art, and filmmaking.

Her bold, colourful illustrations often draw inspiration from the natural world and focus on narratives around female and queer identities and relationships, and the bond between humanity and nature.

With a strong background in visual design, she brings a versatile approach to illustration. She collaborates with advertising agencies, fashion houses, design and architecture studios, publishers, record labels, and film production companies, working across a wide spectrum of visual storytelling: illustration, murals, live drawing for video, storyboard art, concept art, and graphic props.

Her portfolio includes collaborations with international clients such as Campari, Cosentino, Disney, Facebook, Internazionale, Just Cavalli, Mixmag, Pitti Immagine, Salone del Mobile, Sony Music, Unilever, Universal, and Wired.
